IT integration and reforms in the examination procedures and processes

The conduct of examination and declaration of results is one of the important activities of the University. The Examination section is the backbone of the Examination system. The UG & PG examination (both semester and Annual) commence as per the schedule of the University Academic. The University Examination system is fair, efficient, reliable and transparent, and strictly follows the rules and regulations as provided in the Examination Ordinances. Examination section strives hard for the smooth conduct of examinations and timely declaration of the results. Steps are also taken to-

- Minimize the errors and mistakes and ensure better accuracy and efficiency during paper setting
- Conduct of the examination
- Collection and coding-decoding and assessment
- Moderation of answer paper
- Entry of marks on the answer copies and mark lists, etc.

Uses of ICT

The Examination cell uses Information and Communication Technology (ICT) for the following examination related works: Computerization of most-steps in the examination system –

- Student registration
- Updating of the data
- Scanning of students' photograph
- Issue of Hall Ticket with photograph
- Result Processing Mark sheets
- Marks are filled online in the system by examiners after evaluation of the answer books.
- Availability of Helpline Phone Intercom facility
- Roll numbers of students are replaced by fictitious roll numbers for security

- Answer books of various centres are messed before packeting in bundles for security

The Maharaja Ganga Singh University, Bikaner has a fully automated system for Examination process. For this the university has called proposals from various firms for web support & data processing of pre and post examination work, Answer book Packeting and supply of related documents. The university has signed an agreement with MicronicInfortec, Pvt Ltd, Ajmer and outsourced the pre and post examination work related to examination. The agreement is attached at the end of the document.

The university is offering following facilities to the students of campus and affiliating colleges-
