ANNEXURE-4

MAHARAJA GANGA SINGH UNIVERSITY, BIKANER

Specification of Pre-Printed (Security Based) Degree

Size:

A-4 8¹/₄" x 11³/₄"

Weight & Quality

140 GSM, White Maplitho Paper.

Security Features are as follows:-

1. Invisible Print

The Text printed would not be visible to the naked eye and can not be copied by using computerised scanners or colour copiers. The matter would become visible only under certain range of ultraviolet rays.

2. Dandy Water Mark Printing

This will have effect similar to Water Mark provided in Currency Rupee Note. Here, the Watermark Printing can be clearly when stationery is held against bright light. Logo of the University and name will have to be printed in the centre in bold type, cannot be copied by copier or computerised scanners.

3. Penetrating ink for Serial No.

Serial Numbering will be printed on the certificates using penetrating Ink. Numbering printed in black ink in the front will be visible in the back side of the certificates in red ink and thus cannot be erased or tempered with. Alpha numerical numbering or Gothic numbering style can be printed in this manner.

4. Bar Code Printing

Bar Code will be printed on the Certificate to match with the numerical numbering printed in the certificate and this Bar Coded number can be deciphered through hand held Scanner. This sort of Bar Code may not be printed by others or copied.

5. Micro lettering

Invisible printing of University's name will have to be done which can be clearly seen with the help of an eye glass. The place of such printing will be kept secrete.

6. Computer Based Security border

Fine Decorative border will be given in the certificate through computer based Mathematical Calculations which cannot be easily copied by others.

7. Blind embossing

University's logo will be embossed on on-line basis through a special method while the certificate is printed.

8. Logo of University

Logo (Mudra) of University will be printed in glove ink which invisible in photo copy of degree.
